Our award-winning, yin-yang-inspired Semih continues its journey into high-end hospitality environments, boutiques, and residences with original style. Simple installation, versatility and a lot of fun. If you are working with Semih 61 and its reflector variant, you’re in luck. Enhance the ambiance with easily interchangeable magnetic reflectors in aluminium, champagne or gold colours. Choose between super spot, medium and flood beams and fine tune your space as desired. And for even more of that warm fuzzy feeling, go for warm dim technology.
