BOLSTER RECESSED 155 AR111 GE

Think roller skates and disco. Bolster always brings a touch of the sixties to a room. Choose the fully chromed versions with mirror effect or tone things down with the matte black or white versions, which also have a chromed edge. Available as a foot, recessed, track and pendant variant. As it is highly adjustable (offering 359° rotation and 90° inclination), Bolster will create a festive atmosphere in the entire room.
