DUELL

DUELL

With its gentle curves, Duell gives every room a softer touch. As a wall luminaire, Duell creates a wide fan of light on the wall, both upwards and downwards. The double-walled housing allows you to play with color, bringing a more authentic feel into the room.

Anodized colors and splendid light effect.

Duell will never go unnoticed, in fact, make it more visible with a flavourful range of anodized colors. On the outside, you'll enjoy extra choices of anodized black, bronze, silver bronze and champagne, while the inside is available in black, champagne and aluminium. In any of its color choices, Duell will effortlessly give an architectural, high-end touch to your expression.

Softer light on your wall

We've added a subtle yet significant accessory to our Duell. A new, optional diffuser hiding the light source softens and levels the light, and gives the light beam a more uniform glow. The diffuser accessory is field installable, so it can be added before or after installation which means ultimate flexibility in configuration.

versions	<i>Surface wall</i>
