*The 3 original designs, Smart Kup, Lotis and Cake still manage to steal the hearts of interior designers. And this goes for the entire Smart family. Smart's accessibility and extreme versatility are arguably fit for any expression. Mix and match accent lighting, up and downlight, fixed or adjustable, a mosaic of shapes, sizes, colors and mounting options, and create a playful installation.*

## 3 designs that multiply

Smart's 3 designs are already a party for designers. Fun, curvy shapes, small and charming. Double the fun, Lotis, Cake and Kup come in fixed and adjustable versions. Adding color to double fun, all variations are available in black structure, white structure and a warm, golden finish, and can further be combined with all Smart accessories. How's that for a party?
